Dear Friend of Music,

Collaboration is in the DNA of BONJ. Our musicians play together as one to bring the beauty of music to audiences. Our guest singers exquisitely harmonize with the Orchestra. Our wide array of partnerships with community organizations, historical & arts entities, businesses, and educational institutions are proof that it takes a village. And, of course, there is the mysterious bond between the Orchestra and the audience that creates the undefinable and elusive spark.

Having ended our current season, we are hard at work with plans for a wonderful Summer Festival and an exciting new 2023-24 season. If you agree with us that our strength comes from our cooperation and teamwork, we hope you will join us in the year ahead by adding one more relationship to the mix—that of supporter!

We invite you to contribute to our annual drive. The enclosed donation form is provided for your convenience. If you prefer, you can also contribute online at www.baroqueorchestra.org (then click on Donate). You can further increase the value of your donation if you work for a company that has a matching gift program. Since we operate with minimal overhead, 90% of your donation goes into ensuring our musical traditions continue to thrive.

In closing, we want to extend our sincere thanks to all of you who have sustained us in the past and ask that you move forward with us with the upcoming season. For those of you who may be new, we welcome you to the BONJ family. When we are together, there is nothing we cannot achieve.

Musically yours,

Jo Ann Bates,
President, Board of Directors
